ALEXANDERS

Quality

All foods we purchase, process, cook and serve you must meet our very high standards. It is always of the best quality attainable. Alexanders' cooking methods are meticulous and thorough and food will not be served unless it is of the utmost excellence.

Service

The best food in the world would be wasted if it wasn't served courteously, swiftly and with an infectious smile. A smile can bring back a customer again and again. We serve you the way we like to be served.

Cleanliness

Cleanliness is a main concentration at Alexanders. Our building, equipment, working procedures and staff are always immaculate. No compromises are made, so that Alexanders is always impeccably clean.

Value

Inexpensive is not our goal, but rather the ratio of utility to price - a price that makes sense. We always strive to meet our set standards at the lowest price possible to you.

We will not compromise

Quality, Service or Cleanliness to lower our cost.
